PUBLIC HEARING - CHEVY CHASE ROAD

Mr. Hess opened the hearing at 10:05AM and read the notice into the record (see attached script). Mary Ganz and Arleigh Greene addressed the Board of Selectmen and the public. Attorney Ganz said the planning board has recommended the relocation of Chevy Chase Road. Mr. Greene said the road was never built to specification and he has maintained it over the years. He is looking to readdress the road to hook into the CVS driveway and Applebee's so traffic will not need to go back out onto Route 1. This road will "T" up with Provident Way which is what the planning board had requested when he made the proposal to them.

Mr. Green said he will assume all costs associated with this reconfiguration. The town will have no duty to maintain the road. He said there will be no reconfiguration of Dwight Avenue.

Mr. Manzi said in accordance with recommendation of town counsel and state law the Board of Selectmen did visit the site to look at the proposed changes.
