B Kelly explains a change in how the Human Service articles will be handled saying that the selectman have decided that if an agency is asking for \$10,000.00 or more they will each be put on a separate warrant article to be voted on. The remaining agencies asking for less than \$10,000.00 will be combined.

Further discussion on dates for account reviews. M Chase will get dates from the school to schedule and also notes that he will not be able to attend meetings scheduled on Tuesdays and will have Kathy Cronin attend in his absence.
